Our mission is a commitment to our students based on a personal approach with a closely monitored step by step processes throughout.

This is our promise!

OUR STORY

... SO FAR

Perfect safety record,
unprecedented student support,
and best in class training environment.

International TRAINING

We are Flying Academy - International Flight Training center with more than three decades of experience, that was founded by airline pilots for future airline pilots.

Perfect SAFETY

The regulation in the United States are very strict about aviation safety. Our fleet is maintained at the highest levels of safety. Flying Academy prioritizes and promotes safety culture in all aspects of its operations.

Our FLEET

Flying Academy, one of the leading global flight schools, is proud to present our fleet. It consists of single and multi-engine aircraft. The whole fleet, at both continents where we operate, consists of over 42 aircraft.

Online TRAINING

With Flying Academy's brand new online classrooms, you can start your theoretical training without leaving the comfort of your home, in a decent amount of time!

CALIFORNIA, USA
