# FLYING ACADEMY

LOS ANGELES | VAN NUYS AIRPORT |

**WE BUILD**

---

# EXPERIENCES

Flying Academy's mission is to make YOU the most professional, skilled and dedicated pilot. We are completely equipped for the challenges of employment opportunities of airlines all over the world.

Our mission is a commitment to our students based on a personal approach with a closely monitored step by step processes throughout.

This is our promise!

# OUR STORY

... SO FAR

Perfect safety record,  
unprecedented student support,  
and best in class training environment.

## International TRAINING

We are Flying Academy - International Flight Training center with more than three decades of experience, that was founded by airline pilots for future airline pilots.

## Perfect SAFETY

The regulation in the United States are very strict about aviation safety. Our fleet is maintained at the highest levels of safety. Flying Academy prioritizes and promotes safety culture in all aspects of its operations.

## Our FLEET

Flying Academy, one of the leading global flight schools, is proud to present our fleet. It consists of single and multi-engine aircraft. The whole fleet, at both continents where we operate, consists of over 42 aircraft.

## Online TRAINING

With Flying Academy's brand new online classrooms, you can start your theoretical training without leaving the comfort of your home, in a decent amount of time!

CALIFORNIA, USA

# VAN NUYS

## KVNY AIRPORT

Van Nuys, California is Flying Academy's latest addition to its international bases in USA. We are proud to bring forward exceptional pilot training to the amazing Van Nuys airport, known as one of the busiest airports in the world!

**EXCITING JOURNEY  
IN THE SKY**

We grant our aspiring cadets the exciting opportunity to fly across Los Angeles breathtaking views on the edge of the Hollywood hills.

**NEVER COMPROMISE  
ON QUALITY**

Flying Academy's mission is to make you the most professional, skilled and dedicated pilot. We are completely equipped for all challenges

**TOP OF  
THE LINE BASE**
